

Agquip 2017

This year **Marlin Campers are celebrating 10 years** of coming to Agquip, and we are bringing our latest models with a heap of **free upgrades exclusive to Agquip.**

We have our Marlin Cruisers starting from just **\$3499.**

Our Mid size Marlin Escapes are down to **\$5499.**

and our Family sized Marlin Explorer is down to **\$5999.**

These specials are only available at Agquip, so make sure you get over to J10 and have a look through the range to find your perfect camper.

At Marlin Campers we start from the ground up and our trailers are built-to-order, so you only add the features you need and want in a camper trailer.

For some, it's just a tent and trailer with heaps of storage for your own gear. For others, it means having all the bells and whistles like power options, complete kitchens, fridges, and a whole range of comfortable inclusions to make your holidays the perfect time away.

With prices discounted by up to \$2500, this years' show is the best time to consider a camper trailer for your next trip away.

Lay-by options are available as well as finance loans and immediate delivery.

If you can't make the show then get in contact to discuss your options and have some information sent out:

Phone 0409887927 or email Steve@marlincampers.com.au for more info.
