

Sydney Supershow 2014

The Sydney SuperShow starts Saturday 26th April to Sunday 4th May from 10am each day.

This is our 8th year at the Sydney Super show and over the years we have seen many camper businesses come and go. As Oztrails longest running and largest dealer and manufacturer in Australia we have the experience to make sure you get the best camper trailer for your needs and most importantly at the best price.

That's our Price Guarantee.

Marlin **Camper** Trailers are designed for people after quality without the heavy price tag. We believe that the most important part of any camper trailer is the ease of set up and the quality and features of the tent and trailer.

However we don't believe you have to spend \$10,000 \$20'000 or even \$40'000 to get the best.

What sets us apart is that we provide a camper of exceptional quality without all the extras that drive up the price. Not everyone wants or needs solar panels, hot water systems, fridge freezers and \$1000 kitchens. Most of us have a shed full of camping gear, its the tent that needs replacing.

Thats why we have joined forces with Australia's leading camper tent manufacturer Oztrail to provide the best value camper trailer on the market today.

See below to find out more and take a peak at this years show specials.
